## THE INTERVIEW WORKSHOP

Due to a restriction on numbers for the work placement, all participants must complete the interview workshop to be considered for Step 2. If you do not get through to Step 2, you may be able to apply for the IAG graduate programme when you leave school.

The interview workshop is based on attitude, not ability, so put your best foot forward and snag yourself a spot on this exclusive experience.

## THE WORK PLACEMENT

You will be introduced to the corporate world and learn about each department at the fabulous IAG offices. You will hear from IAG team members and their role in the company, while participating in simulated work tasks to discover if this is the career for you! At the end of the placement you may be offered an internship opportunity at IAG which could pathway into paid employment.
