Link this placement with any of our courses for FREE!

Little Heroes Project Charitable Turst works across Aotearoa, supporting young parents, tamariki & whanāu, beginning with the basics.

They are offering to support our learners in custom made 3 day work placements managed remotely.

They create weekly tasks for the learner to complete in the community based around the learners area of interest. such as; care for the elderly or young people, fitness services, beauty services, collecting donations, sorting donations, civic duty or whatever the learner is wanting to do to support their community.

This is an excellent option for learners who are motivated to serve their community and can work remotely with weekly online checkins with the Little Heroes Team.
